LEE COOPER 100 YEARS

To celebrate their 100th birthday, Lee Cooper organised an auction during fashion week in Paris with work from famous artists and designers like Giles Deacon, Ora Ito and Alain Mikli to name a few. The benefits went to the French Red Cross and Designers Against Aids to help them to raise the awareness around HIV. The customized jacket by Michaël Verheyden was worth 500 euro. www.leecooper.com, www.designersagainstaids.com

PRIVATE/PUBLIC

Between the 28th of September and the 28th of December 2008, the centre of Hasselt will be the kind host of an artistic circuit. A dozen artists were invited to think about the idea of private versus public and will make you discover new sides of the city. www.privatepublic.be

PETRUS HEEREN

MV Invites on the 23rd of May was a big success with 450 visitors to enjoy art and music! However it took quite an effort to organize, the response was very positive, so from now on we'll be setting up our own gallery.

This time it will be small scale with the works of Petrus Heeren, a young, mixed media artist who's fascinated by the urge of staying young. *Free visit from Monday till Friday until the 5th of December.* www.petrusheeren.com, <http://www.galleries.nl/gast.asp?Gastnr=30>
